

This innovative spa brand leverages cutting-edge technology & design to deliver a better paraffin wax treatment for both hands & feet that your clients will absolutely love. It's a perfect addition to your treatment menu and can be a popular take-home purchase at your retail counter.

### What Makes gLove Treat So Exciting

- Easy-to-use application delivers all of the benefits of a paraffin wax treatment without the hassle & mess of paraffin pots
- Patented mixture of Cosmetic-Grade Paraffin Wax, Virgin Coconut Oil & Lavender Essential Oil
- No parabens, sulfates or synthetic fragrances
- Advanced technology employs a thermochromatic indicator & innovative liner to ensure the perfect treatment temperature
- Heat in a hot towel cabinet or a microwave
- 15-minute treatment will deliver more therapeutic & anti-aging benefits than other paraffin treatments
- One-size fits all & each retail gLove can be used 3-4 times

**Deanna Montrose**  
Inventor & Owner

“After 20 years as a salon & spa owner, I grew tired of paraffin wax treatments. They were popular with clients but messy to provide. With a lack of alternatives in the market, I decided to design my own easy-to-use paraffin wax application.....and gLove Treat was born.”
