ELEPHANT

I look at the moments from my past, and realize they make me what I am today. May the elephant show you that precious moments should always be remembered.

Good Karma Symbols

DOUBLE HEART

A full heart has room for more. An empty heart has room for nothing. May the double heart show you that life is best lived surrounded by love.

OPEN HEART

Hope is the light that guides the way when all around seems dark. May the open heart remind you to save space within yourself for hope.

HEART

My body once yearned for what I did not need. Now my heart is fixed on all that I have. May this heart remind you of the purity for which you strive.

STAR

I keep my thoughts pointed towards the sky, for looking down only causes a step backwards. May the star help you to reach the goals you truly strive for.

DOVE

Do I say things with a fickle tongue, or with meaning from my heart? May the dove remind you of inner peace.

WISHBONE

In a world without wishes, how can we dream? May the wishbone ensure that you never give up on your dreams.

BUTTERFLY

My body is in the present, but my mind wanders the future. May the butterfly remind you to take each day as it comes.

OM

There is only one true goal - to live your life free from greed and desire. May the Om remind you that happiness is the measure of true wealth.

BUDDHA

A time to be still is often a time for reflection. May the Buddha remind you to focus on the present. The future will be as it should be.

HAND OF FATIMA

I keep my eyes ahead of me, but learn from looking back at my past. May the hand of Fatima protect you from bad energy and past mistakes.

ELEPHANT

I look at the moments from my past, and realize they make me what I am today. May the elephant show you that precious moments should always be remembered.

EVIL EYE

Sometimes the wrong path is taken, but it takes a strong person to learn from previous mistakes. May the evil eye guard you from cynical influences.

FLEUR-DE-LIS

To put others first is the sign of true inner harmony. May the fleur-de-lis remind you to give the gift of happiness.

FOUR LEAF CLOVER

If a man who cannot count finds a four leaf clover, is he still lucky? The best luck of all is the luck you make for yourself.

FEATHER

I am free, I am calm and I speak with a gentle tone. May the feather encourage you to free your mind from the chaos of life.

HORSESHOE

If I do not protect all that I find sacred, then I have nothing to treasure. May the horseshoe remind you to keep close all that you hold dear.

PEACE SIGN

If I stand alone with clenched fists I am unable to shake the hands of others. May the peace sign remind you that we all belong to each other.

HALF MOON

My body strives for balance in a world that is thrown into chaos. May the half moon create a veil of calm over your life.

LOTUS

A person striving for constant perfection is often lacking true beauty. May the lotus remind you that true beauty comes from within.
